

Philips
Telephone Pickup
Microphone

Accessory

LFH 9162

Engineered to fit

Ever needed to record an important telephone conversation? The Telephone Pickup Microphone allows telephone conversations to be recorded without an adapter. Just plug it into the microphone jack of a voice recorder and put the earpiece into your ear. When speaking on the telephone, the Telephone Pickup Microphone captures both sides of the conversation.

Ergonomic and simple

- Super-sensitive microphone
- Simple plug-and-play installation
- Easy handling with retractable cord

Designed around you

- Comfortable in-ear experience
- Suitable for all telephones, including cell phones, home phones or pay phones
- Plug-in-power system requires no batteries

PHILIPS
sense and simplicity
